Invitation to the press conference on 2 July 2020, 11.00 a.m. at the Museum Ulm to present the international art project "Art on the Stream"

Dear Madames and Sirs,

On the occasion of the opening of the touring exhibition of the international art project "Art on the Stream" we cordially invite you to a press conference on

Thursday, 2 July 2020 at 11.00 a.m. at the Museum Ulm.

"Art on the Stream" brings together art positions, artists and curators from the Danube region and is being created in the spirit of closer cooperation between the Danube countries. The aim of the project is to present various art positions from the Danube countries, which will be shown in a travelling exhibition in the years 2020-2022. In addition, artists and curators will meet repeatedly, exchange ideas and form networks within the framework of symposia and especially within the framework of the two European Capitals of Culture Novi Sad 2021 and Timisoara 2021.

The project is supported by the **Museum Ulm** and co-financed by the following cooperation partners: **Ministry of Science, Research and Art of the State of Baden-Württemberg, Baden-Württemberg Foundation, Donaubüro Ulm/Neu-Ulm and Cultural Advisor for the Danube Region at the Danube Swabian Central Museum Ulm.**

In the press conference, after a welcome by the curator Dr. Dathe (Museum Ulm), the touring exhibition will be presented. The curators Olivia Jacques (Vienna), Dr. Marton Mehes (Vienna), Franziska Degendorfer (Karlsruhe) and Dr. Swantje Volkmann (Ulm) will report on the project and answer your questions.

We are looking forward to your coming.

With kindest regards
